

The Weekly Pulse of Wholesale Monitoring

As the weather begins to warm, we hope to see you at upcoming industry events like the ones listed below. We are grateful that you have allowed us the honor of monitoring your clients' accounts. As always if you need anything please reach out to the Dealer Relations team at 800-932-3304, option 2 or wholesale-dealer@sbdinc.com.

Important Info from the Accounting Team

We are proud to announce that after months of testing we are very excited to let you know we will be moving to a new accounting software. This new software is a modern and up-to-date solution to simplify invoicing. With the move to any new system there are always some changes. [Review the complete Communication HERE](#)

Plain Old Telephone Service

POTS lines are old-fashioned copper wires that provides the power and connectivity to the telephone service provider's central switching system. Moving your accounts from POTS lines to an alternate technology will save you time and increase the value of your company and provide your subscribers solid and reliable communications.
