Our Email Addresses are Migrating to URL @securitas.com

Please note that we are currently in the process of migrating all our email addresses from the URL @sbdinc.com to @securitas.com. Everything before the @ symbol will remain the same. i.e., wholesale-dealer@sbdinc.com is now wholesale-dealer@securitas.com. During this process we are currently forwarding all @sbdinc.com emails to the new @securitas.com email address. However, this will only continue until June 23rd for personal emails and a future date for group emails.

We do suggest that you update our email addresses in your address book as soon as possible and that you flag securitas.com as a safe and valid sender so that those emails do not go to your spam or junk folder.
