

## The Weekly Pulse of Wholesale Monitoring

We wish you and yours a very happy and safe Labor Day weekend.

We are grateful that you have allowed us the honor of monitoring your clients' accounts. As always if you need anything please reach out to the Client Relations team at 800-932-3304, option 2 or [wholesale-dealer@securitas.com](mailto:wholesale-dealer@securitas.com).

### LABOR DAY HOURS

We will have adjusted hours over the Labor Day Holiday. Special Holiday Hours Apply to the Accounting, Data Entry, Dealer Relations, MASweb Support, and Technical Support Departments. Closing on Friday, September 1st at 5pm CST and will reopen at 8am CST on Tuesday, September 5th

### We are prepared for Hurricane Season

Hurricanes are one of nature's most powerful storms. They produce strong winds, storm surge flooding, and heavy rainfall that can lead to inland flooding, tornadoes, and rip currents. In the event of a storm our first concern is that you and your family, employees and customers are safe. We have linked several resources in the Dealer Portal that can be of assistance before during, and after the storm passes. [LEARN MORE](#)

## Pre-Attrition Check Ins Can Keep Your Company Healthy

Presented by Electronic Security Association: Ask any business owner if they'd like to grow their customer base, and you can bet they will answer with a resounding yes. Increasing revenues is always a good thing. But . . . Not if it comes at the expense of losing existing customers. The reality is, it costs much less to retain a customer than to gain a new one. So, says MacGuard Security Advisors – the trusted electronic security experts that specialize in working with electronic security companies to assess business operations, review short- and long-term business initiatives, and provide blueprints for long-term success.
